

GRAND NATIONAL TEAMS 2013-2014

ACBL SPECIAL CONDITIONS OF CONTEST

Lack of knowledge does not constitute cause for exception to these conditions of contest. These CoC may not be changed during the course of this event. The general CoC for Swiss team and knockout teams events will apply to this event subject to the following special CoC.

It is the spirit of these conditions that the Grand National Teams be a "grass roots" event, with each participant competing in his/her district of membership. Please see Appendix I to these conditions of contest.

Each participant in the GNT, beyond the club qualifying level, must be a dues paying or service fee paid up ACBL member.

I. DISTRICT DIRECTOR AUTHORITY

All ACBL tournament regulations, though not specifically included in these conditions, apply throughout this event. The District Director has final authority on any item not specified in the CoC.

II. GENERAL

- 1) This is a team event in which each ACBL district will name a district champion in each category by means of a fair competition that is not necessarily the same from district to district. These district champions then may compete in the national final of their respective category.
- 2) A player may represent the district in only one flight at the national final. Teams in the national final will not be subsidized in any way by the ACBL.
- 3) The flights are as follows:

FLIGHT	MASTERPOINT LIMITS
Open Championship Flight	Unlimited
Flight A	6000 Masterpoints
Flight B	2500 Masterpoints
Flight C	Non-Life Master with 500 Masterpoints

Flight eligibility will be established by ACBL's September masterpoint cycle. This information will be produced on August 6, 2013 in Horn Lake, MS. Masterpoints won after this cycle will not impact flight eligibility for these events.

- 4) At district option, each flight may be played at one or more levels. (Club, Unit, or District) The District level must be flighted, but at the club and unit levels, the events may be flighted or stratified. In a stratified event the Open Championship and Flight A must be combined for play and masterpoint awards. In a stratified field at the club or unit level:
 - a. All teams are eligible for qualification to the Open Championship Flight.
 - b. All teams are eligible for Flight A qualification with the exception of a team with a member with more than 6000 masterpoints.
 - c. All teams are eligible for Flight B qualification with the exception of a team with a member with more than 2500 masterpoints.
 - d. All teams are eligible for Flight C qualification with the exception of a team with a member with more than 500 masterpoints or one who has achieved the rank of Life Master.
- 5) ACBL rules and regulations govern play at every level of the event, and supersede district conditions in cases of conflict.

III. CONVENTIONS

At district option, the ACBL Midchart may apply at the district level of the GNT - Open Championship and Flight A provided that this has been included in the district CoC.

IV. DISTRICT REQUIREMENTS

Each district shall determine the nature of the event by which it declares its district champions, and file its CoC with ACBL Special Events no later than September 1, 2013. Those conditions must include the following:

- 1) Name and contact information of the person to whom questions should be directed.
- 2) Proposed dates for the District Final
- 3) Format of the District Final, including contingencies for any number of teams in each flight, and the number of boards to be played.
- 4) District Finals may be scheduled any time after September 1, 2013.
- 5) No level or stage may be scheduled which would prevent a player from attending one or more days of a North American Bridge Championships or participating in the United States Bridge Championships, the United States Women's Bridge Championships, the United States Senior Bridge Championships, or the United States Junior Bridge Championships. The national final for all flights will begin on the Wednesday afternoon prior to the Summer NABC.

6) Only ACBL members in good standing may participate. Ineligible pairs playing to fill out the movement will receive any session awards (no overall awards) won but may not qualify to the next stage of the event. If the ineligible pair includes one or two players with more MP than permitted in the flight they are filling in, duplicate MP awards will be issued by ACBL.

V. ENTRY REQUIREMENTS

- 1) The Championship Flight is open to any player, except as previously noted.
- 2) Flight A is open only to a player who has no more than 6000 masterpoints recorded as of the September cycle.

NOTE: If the event is stratified at the Club or Unit Levels, the Open Championship Flight and Flight A are combined (in compliance with ACBL Regulations) to create only three strata.

- 3) Flight B is open only to players who have no more than 2500 masterpoints as of the September cycle.
- 4) Flight C is open only to players with no more than 500 masterpoints who have not attained the rank of Life Master as of the September cycle.
- 5) Teams may consist of four, five or six eligible players.
- 6) Masterpoints won in other bridge organizations, either domestic or foreign, must be taken into account for placement in the flights.
- 7) A player's bridge experience will be taken into account to determine the proper flight.
- 8) The DIC is authorized to make the decision on the player's classification.

The first-place finishers in the Championship Flight, Flight A, Flight B, and the second place finisher in the Championship Flight of the district final earn Blue Ribbon Pairs qualifications. The first place finishers in the Non-Life Master Flight in a district final earn Red Ribbon Pairs qualification. The first-place finishers in the Championship, A and B flights, and the second place finishers in the Championship at the NABC final will earn Blue Ribbon qualification. These teams will earn qualifying points, if applicable, for international competition on the same scale as in the Blue Ribbon Pairs and the LM Pairs. The first and second place finishers in the Non-LM Flight at the National Final will earn Red Ribbon qualification.

Overall awards will be based on the participation of each member (see page 7).

VI. REPLACEMENTS AND SUBSTITUTIONS

- 1) Issues regarding replacements and/or substitutions not addressed by the District CoC are resolved as follows: Every team member must play at least half of the boards of each match (exclusive of play-offs) in order to continue participating on that team for the remainder of the event. The team captain may submit an application for exemption from the requirements of this paragraph to the District Coordinator who will then submit the request to the DIC of the NABC but must do so (other than for emergencies) prior to arrival at the NABC for the GNT's.
- 2) A team member granted an exemption under the previous paragraph must still play at least 40% of the boards, (excluding play-off boards), for as long as the team survives to qualify for overall MP awards and other privileges. No contestant may play any match after it has become mathematically impossible to play at least 40% of the boards (excluding play-off boards) played by the team.
- 3) If an ineligible player is disqualified, the ineligible player's team will be disqualified unless the DIC determines that teammates were unaware of the deficiency of the disqualified member. Any team reduced to fewer than three original members due to disqualification of ineligible players is disqualified.
 - a. Substitutes will be permitted at the discretion of the DIC of the NABC. No more than two substitutes at a time will be permitted on a team
- 4) A team reduced to three members for cause at the site of the NABC will be permitted a replacement at the discretion of the DIC. A replacement for the Finals receives match awards only. In no case is a team permitted to replace more than one player at the site of the NABC.
- 5) When a team is disqualified after the correction period, the disqualified team's rank remains vacant. In ongoing events, teams move up one qualifying position as appropriate

VII. SANCTIONS, DIRECTORS AND FEES

Requests for rated ACBL TDs should be received in ACBL headquarters in Horn Lake six months before the event.

The director must be a club rated or higher-rated director to run games at the club and intermediate level. A non-playing director is recommended by ACBL, but a club qualifying event with 17 or fewer teams may have a playing director. A TD will be assigned by the Tournament Department to officiate at each district final. ACBL will attempt to assign your preferred director. Game reports are to be submitted on the official ACBL GNT report forms, which will be available from the district GNT coordinator. A sanction fee of \$1.25 per table per session must

accompany the game report for all games at all levels. A district may add a surcharge for games run by its clubs and/or units.

IX. NABC FINAL

In the NABC final for all flights, teams will play a one day Swiss event to qualify into a seeded KO bracket. Each Swiss event will be 8 7-board matches. The NABC+ VP scale will be used. There may be playbacks at the bottom of the field.

The bracket seeding will be:

Swiss winner #1 seed

Swiss runner-up #2 seed

Swiss finishers 3rd and 4th will draw into seed positions 3 & 4

Swiss finishers 5th – 8th will draw into seed positions 5 – 8

Seed #16 will be selected by seed #1

Seed #15 will be selected by seed #2

Seed #14 will be selected by seed #3

Seed #13 will be selected by seed #4

The remaining 4 teams will draw into seed positions 9 – 12

Ensuing knock-out matches will be 64 boards in length in the Championship flight; 56 boards in length in all other flights. These events will be governed by the Knockout General CoC.

APPENDIX I

2013-2014 North American CoC

District Membership

The North American Pairs and Grand National Teams were created initially with the expectation that players would play in and represent the districts in which they lived.

For the GNTs: A member's principal physical residence as of September 1 of the year prior to the National Final shall establish the district in which said member is eligible to participate beyond the club qualifying stage. For the NAPs: A member's principal physical residence as of September 1 of the year prior to the National Final shall establish the district in which said member is eligible to participate beyond the club qualifying stage. In both events, changes in residence after such date shall not change the district in which the player is eligible to participate.

The expectation is that exceptions to this rule will be rare, especially in the top flight of each event. Exceptions must fall into the categories listed below in the "Guidelines for Exceptions". A player seeking an exception must obtain

permission in writing from the ACBL District Director representing the district in which the member has a principal residence and from the ACBL District Director representing the district in which the member wishes to play. Both District Directors must approve the request for the exception to be granted. Further, any exceptions in the highest flight of the event must also be approved by a BOD Credentials Committee. The expectation is that District Directors will approve and forward requests to the Credentials Committee only in very special cases. There is no appeal from the Credentials Committee decision.

All residency requirements and requests for exceptions shall also apply to players augmented onto GNT teams.

The Credentials Committee (CC) is also responsible for clarifying in which district a player is allowed to play when said player's eligibility is in question. When a challenge to one's eligibility from a unit final stage or later stage has been made, the CC may request documentary evidence from the member whose eligibility is in question. If a member is unable to verify to the CC's satisfaction that he or she is playing in the district of the member's principal residence, the CC shall automatically disqualify the member and his or her partner and teammates (in cases of the GNT). When a member is disqualified by the CC, the matter will be referred to the ACBL President who may choose to make charges to the ACBL Disciplinary Committee in accordance with section 2.2.3 (d) of the ACBL Code of Disciplinary Regulations.

The BOD and the Credentials Committee both recognize that implementation of these measures may inconvenience some members who were granted exceptions in previous years. Nevertheless, the general consensus is that implementation and strict interpretation of these measures is necessary to restore the integrity of these events.

Guidelines for Exceptions:

As noted above, the expectation is that exceptions will be rare. Following are three situations where an exception may be considered:

- “Snowbird”. A member with seasonal residences who spends more than half of the GNT (September 1 – February 28) or NAP (June 1 – August 31) qualifying period in a district other than the district of his principal physical residence may play beyond the club qualifying stage in the district of seasonal residence. If he chooses to do so, he may only play in the district level final of one district. He must play in that district's district finals to be eligible to play in the national finals. Such a player will not be eligible to be added to a team from his other district. All necessary approvals must be obtained before play begins at the district level.

- A player with multiple domiciles should apply to the Credentials Committee for a one-time choice of district in which he wishes to play. This application must be made before the start of the event's qualifying period. This player may be asked to document his time in each of his residences. The player must spend at least three months each year in a district in order to have it considered as a domicile possibility. Once a player chooses a district in which to play, he must play only in that district until he no longer has a domicile in that district.

A participant who is a full-time student, a member of the armed forces or whose employment requires temporary relocation may play in the District in which he temporarily resides.

- In rare cases, a player who is a member of a unit in a district in which he does not reside may seek permission to play in the district in which he has a unit membership. Such an exception will be considered only if all of the conditions below are met:

Lives sufficiently close to the district borders

Has been a member of the unit in which he wishes to play for at least 5 years continuously prior to the start of the competition in the year for which the exception is being requested.

Has not played in the GNT or NAP in another district for that period of time.

Has been actively involved as a volunteer in the Unit or District in which he wishes to play for at least two years. Possibilities include, but are not limited to: Unit or District Board Member, Chair of NABC or major NABC Committee, District or Unit Recorder, Tournament Chair, or Club Manager.

Note: Simply playing bridge in the other District/Unit or having a regular partner who resides in the other District is not considered sufficient reason for an exception to the "play where you live" rule.

Any player seeking an exception for this reason must document the reasons why an exception should be considered and send it to both District Directors involved, as described above. This application must be made before the start of the event's qualifying period. The District Director of the District in which the player is a member must confirm the fact that the player has been an active volunteer in the District (or Unit) where the player does not live before forwarding such requests to the Credentials Committee (highest flight only).

Should an exception be granted for this reason, the player is eligible to play only in that district and may not change unit affiliation unless the player's principal physical residence changes.

- The Credentials Committee may consider exceptions under unusual circumstances for otherwise eligible players who change their District through a change in their physical domicile after September 1 (GNT) and June 1 (NAP). Request shall be made at least 30 days before the appropriate District Level final.

The Operator must be named in preregistration, and is subject to the approval of the DIC.
- 10) Should a technical difficulty arise, which delays play for one or more matches, play in all unaffected matches shall continue, and 15 minutes will be allotted to resolve the issue before play is suspended. If play is suspended for one or more matches, and in the DIC's opinion, the rest of the contest is unaffected (as in the final match of a Swiss), the affected matches will continue at a later time with different hands than those played during the main competition.

II. Security

- 1) Each Contestant must preregister to participate at a particular site, and no Contestant may participate from a physical location other than a site designated by the Tournament Organizer, and approved by the DIC. III. The Play

- 1) Contestants are required to post a complete convention card, in ACBL format, inclusive of any supplemental notes.

Pairs playing methods requiring a written defense must pre-alert their opponents, and post a written description of the method(s) along with their convention card. Contestants opposing a pair playing such methods are permitted to access the ACBL's defense database and keep said defenses open in their internet browser.
<http://www.acbl.org/play/defenseDataBase.html>
